

INVITATION TO BID

Agency:	City of Everson
Project Name:	Emergency Diesel Generator for City Hall
Bid Date:	November 19, 2010
Estimated Purchase Cost:	\$45,000 (including 8.5% sales tax)

NOTICE TO BIDDERS: Sealed bids for furnishing an Emergency Diesel Generator will be received by the City Clerk, City of Everson City Hall, 111 W. Main, P.O. Box 315, Everson, WA, 98247 until 4:00 pm Friday November 19, 2010. The project includes furnishing one diesel generator system, one automatic transfer switch, and one power distribution panelboard. Said bids will then and there be opened and read aloud. Bidders and other properly interested parties are invited to be present at the bid opening. Bids received after the time fixed for opening cannot be considered.

The Contract Documents may be obtained from Wilson Engineering L.L.C., 805 Dupont Street, Suite 7, Bellingham, WA 98225. Please contact Andy Law, Wilson Engineering, (360) 733-6100 or Don Van Iderstine, Water/Sewer Superintendent, City of Everson, (360) 966-3411 for project information. There is a \$30 non-refundable charge for the Contract Documents. A bid bond in the amount of 5% of the amount bid must be submitted with each bid proposal. A Contract Documents holder list is available in PDF form at www.wilsonengineering.com. The Contract Documents holder list will only include those formally purchasing Contract Documents from Wilson Engineering, L.L.C. and will not include those downloading information from the web site, except as requested.

The City reserves the right to reject any and all bids. The City shall reject any bid not accompanied by bid security. The City reserves the right to waive any irregularities. The City of Everson is an equal opportunity and affirmative action employer. Small, Minority and Women-owned businesses are encouraged to submit bids.

It is anticipated that this project will be funded in part by the Department of Homeland Security Operation Stonegarden Funds. Contract requirements for federally funded projects apply.

All bidders must be licensed contractors registered in the State of Washington and meet the qualifications requirements. All work performed on this project will be subject to prevailing federal or state wage rates.
